Tree of Life

St. Jacob's Tree of Life

Our Consistory, Trustee Committee, and others recognize that it has only been through the efforts of many, many members and friends of our congregation that St. Jacob's has been able to progress as far as we have. In recent years, we have progressed through our Stewardship Campaign, building construction and renovation. Over the years, we have welcomed quite a few persons and confirmation classes into our membership. Regrettably, during this time, we have also had a number of members and friends of our congregation pass on to be with our Lord. These and other moments in the life of St. Jacob's are part of our recent memory. However, St. Jacob's history and character is also long and varied.

300 Leaves To Share

Everyone has surely taken notice to the "tree" which has been placed upon the wall in our parlor area. As a means of recognizing persons and events that have influenced St. Jacob's, leaves of the tree may be used to recognize an event, family member, other relative, or friend that has had a hand in what St. Jacob's is today. The cost to sponsor each leaf is \$100. Payment by installment available. The cost of the tree, the first 300 leaves, and engraving are being donated to our church. The proceeds from this endeavor will reduce our loan at the bank. While this debt reduction will be helpful, the participation of many within our congregation will be a dramatic, visible sign of our broad and deep appreciation and support for our church family at St. Jacob's.
