From the Desk of the Pastor ...

Greetings to all - Or as Jesus would say “Shalom”
(The Peace of God go with you)

Last week, while at a restaurant, I watched a couple vigorously text. They did not talk to each other. A few minutes later they were still at it. Then I realized they were texting each other.

Is it just me or is face-to-face communication a thing of the past? I wonder; would Jesus (if He were here) text for hours on end?

It would not be difficult to argue for either side. Modern technology does offer services and opportunities we never had before. On the other hand, is the technology replacing our humaners? Which is better? — A phone call or a personal visit?

It's not difficult to view modern technology as a gift from God. The issue is whether the technology “uses” us or do we use it?

Just something to consider as you are outside in the sunshine (or walking in the rain). Watch the sunset and/or the sunrise. Count the stars— or weeds. In God's gift of nature (to us) there is no modern technology.

Hopefully, we will find a balance between technology and nature that allows us to use the benefits and blessings of each.

Jesus using an iPhone?

Shalom,

Pastor Rick

Proverbs 1:8-9 *Hear, my son, your father's instruction, and forsake not your mother's teaching, for they are a graceful garland for your head and pendants for your neck.*

Hello St. Jacobs Family,

We want to take a moment and congratulate all of our young men and women that are graduating to the next levels in their lives. This is a moment that can be very overwhelming to all as our graduates take their next steps. A young man that I know said the following best.

As we approach and are in full swing of graduation season, we want to congratulate all of those that are graduating Pre-K, High School, College, or from a Technical school. Remember, this season of your life may be over, but the hard work is just beginning! I want to encourage you to never stop learning. Seek opportunities where you are encouraged to learn and continue your education outside of the conventional classroom. Above all else, seek a purpose driven life that aligns with your passions and your God-given gifts and talents!

Our hearts and minds are with all as the next steps are taken and our support is there for all
Congratulations Graduates!!

Remember the month of June is full of many exciting times that we would love to share with all—from our Strawberry social and Red Lion Felton Band to our Fathers Day Breakfast. Pastor Rick and Cindy are providing pizza for all as a extra treat at our Strawberry Social. We also have a Community breakfast and VBS right around the corner. We look forward to the summer season starting.

Sincerely,

Heather Kuhn

Ministers and choirs wear red and now, the custom is extended to the congregation wearing at Sunday.

SO, let's celebrate Pentecost by wearing RED on Sunday, June 9.

WORSHIP COMMITTEE: The Worship Committee met May 22 to plan the subjects for Sunday worship for the summer:

- June 2 Weddings/marriages
- June 9 Pentecost -- Communion
- June 16 Father's day
- June 23 Our church history
- June 30 The Book of Genesis

This committee meets with the pastor, at which time different topics/subjects are discussed. These meetings assist the pastor in his preparation for Sunday worship. The committee meets every quarter. All members of the congregation are invited to attend these meetings. Different suggestions and thoughts from the congregation would provide new areas to be presented. OR, if you have suggestions please feel free to share them with Pastor Rick.

SOCKS, SOCKS, SOCKS! We all have those socks that do not match another sock. Never sure what happens to them -- perhaps there is a sock thief. Socks are being collected and will be given to persons less fortunate than us. Please donate clean socks and socks without holes.

Communion trays are located within the cabinet in the Altar room on the left of the sanctuary along with Communion chalice.

One loaf of bread is needed. Please cut into cubes.

Communion cups are located on the third shelf of the cabinet in the Altar room

Wine and white grape fruit juice will be located within the fridge in the closet in the all purpose room. Please do not over fill cups.

Take the Communion trays and chalice to the sanctuary. Place on the Communion table and cover with white cloth prior to service beginning.

At the conclusion of the service please take the trays to the kitchen for clean up. Pour the used wine and grape fruit juice out. Please don't pour back into the bottle. The used bread can be tossed out for the birds or you can take home.

Once the trays are wiped out please return them back to the cabinet for storage until the next communion.

Also remember to change the Altar covers at the end of the service. Check the calendar to see what the next Sunday's cover color should be.

April 2019 Budget Update (Combined General and Building Funds)

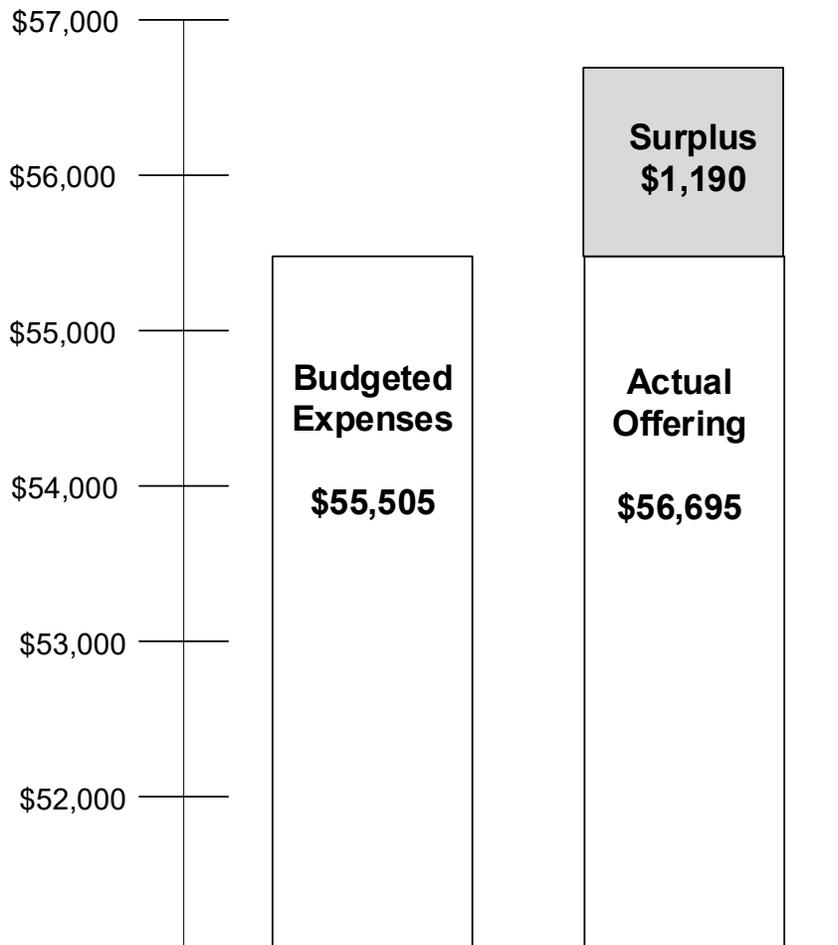

The chart below shows a simplified over view of our budget numbers for the first four months of 2019.

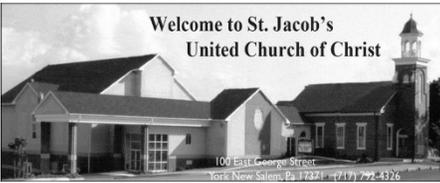

The numbers through the end of April showed a combined surplus in the General and Building Funds of \$1,190 between budgeted expenses and actual offerings. The month of April included our Easter week celebrations which helped to bring our year-to-date offerings and receipts for our general and building accounts.

The Early Learning Center made it's shared expense payments of \$700 per week, which helped maintain a balance between overall cash receipts and cash disbursements.
