## *From the Desk of the Pastor ...*

Greeting to all - Or as Jesus would say “Shalom”  
(The Peace of God go with you)

March 6 is Ash Wednesday. Lent begins. When I was 12, the biggest thing about lent was figuring out what to give up. Perhaps you had the same experience.

If so, then maybe you, like me, tried to give up school, smoking, driving, paying the bills –and especially-girls? Today it sounds silly– even funny. But on another level, we were giving up nothing. It was too easy-and therefore didn't mean too much.

The whole idea of sacrificing was missing. Lent was to be a time to approximate the suffering & sacrifice of Jesus by denying ourselves. Did the traditions of “giving up” something actually work?

Maybe we need to consider a new path to celebrate lent? Maybe ask— what does my neighbor need? What do I have to share –time, funding ect. Who can I pray for? The list is endless, but we have to pick something and then follow through.

Let this be our Lenten challenge: Take a step forward for Jesus—a step that blesses others.

Shalom,

*Pastor Rick*

Psalm 50:1

"The Lord, the only true God, has spoken. He has summoned the earth from where the sun rises to where it sets."

Hello St. Jacobs Family,

As March has reached our door step and our weather has definitely kept each of us on our toes but it has in no way stopped us from doing some really great things. Our soup challenge was a fantastic event with our sister church we raised 2156 (soup or monies) for our food bank how great is that! We held a wonderful basket and bag bingo with some delicious food which so many came and enjoyed. We held a Valentine dance with some great music and yummy treats which was a wonderful social time for all that attended and were able to enjoy. Thank you Fred for the truly beautiful piece of art you created and raffled off that evening. The art you create and share with us is wonderful gift and I know we are all so happy to see what next you may be creating. March is full of wonderful events giving us all time to share with each other and give us that best opportunity to open our doors and welcome all to enjoy also. We have a community breakfast this gives us a great opportunity to feed those that are hungry and spend a moment sharing a conversation with someone that truly needs ear to listen and spend time with. We have a Victorian dance planned again which if you have a moment and want to have a fantastic evening you really need to come and listen to the music. See the beautiful costumes the ladies and gentlemen wear hear some history as to why they do what they do and most importantly take a moment and dance as if none are watching.

So be brave St. Jacobs open your hearts and brush off the dare devil inside yourself and come and enjoy all we offer.

Sincerely,

*Heather Kuhn*

## TO YOU WHO BRING SMALL CHILDREN TO CHURCH

There you are sitting in worship or bible study. Your child, or toddler, is restless. Perhaps they're even a little boisterous. You try to silence them, and nothing. You try to pacify them with food or toys, and nothing. Eventually, you resort to the last thing you wanted to do: you pick them up, and before a watching audience, you make the march out of the auditorium. All the while, you're a little embarrassed. Maybe you're a little frustrated too. You might even think to yourself, "There's no point in coming to church. I get nothing out of it because I have to constantly care for my kid."

I want you— you mothers and/or fathers—to know just how encouraging you are to so many. The little elderly woman who often feels alone beams with a smile at the sigh of you wrestling with your little one. She's been there before. She knows how hard it can be, but she smiles because hearing that brings back precious memories. To see young parents and their small children brighten her day, and she may have just received bad news this week about her health, but seeing the vitality of young ones removes—if but for a moment— her fears.

The older man who always seems to be grouchy notices you too. He's always been talking about how children in this day have no respect or sense of good. But, he sees you—a young family—in church, and you don't miss any gatherings. Like clockwork, he can depend on the sight of you and your young family. You give him hope that maybe the church isn't doomed after all, because there are still young parents who love God enough to bring their restless children to worship.

Bring your children to church. If you don't hear crying, the church is dying. As hard as it might be for you as a parent who's half-asleep, keep on doing what you're doing. You are an encouragement, and you're starting off your children's lives as you should.

## ST. JACOB'S FOOD PANTRY 2019 Capital Improvement Project

Since approximately May, 2018 fresh produce for the pantry's monthly food distribution to recipients has been limited. From late 2017 through April/May, 2018 varying amounts of fresh produce on pallets had been received from the Central Pennsylvania Food Bank ("CPFEB") located in Harrisburg. About May, 2018 the CPFEB made the determination that the sole, once a month, Saturday delivery of produce to our St. Jacob's Food Pantry could not be sustained. Given our local pantry's lack of refrigeration space, the availability of fresh produce for a first Saturday of the month distribution was limited to that produce that could be kept in good condition when received from CPFEB on a regularly scheduled 4<sup>th</sup> Thursday of the previous month. From time to time this holding period is not two days, but nine days.

Currently our local pantry has a standing three-door, reach-in refrigeration unit and four operational standing freezer units. The shelf capacity of the three-door refrigeration unit is less than the quantity of produce on one pallet of fresh produce. Generally, having a pallet of produce is about what it takes to provide for the 110 families or more that have been making use of our local pantry. The standing freezer units can accommodate frozen meats and fish which are distributed monthly, but are insufficient to store enough frozen turkeys at Thanksgiving and Christmas time.

Our food pantry has a pallet jack that is used to move pallets around the monthly distribution area. If a truck with a lift-gate were rented, a pallet of food could possibly be picked up the Friday before distribution and stored inside the Lutheran's facility through their 2017 installed access door and turning down the air conditioning in that space. Unless produce was manually transferred from one pallet to another only a single pallet could be transported, moved onto the truck's lift gate, lowered to ground level and moved inside. While having one pallet of produce to distribute is better than none, the availability of produce from CPFEB has been more extensive, and the ability to have adequate person power on a sustained, monthly basis to manually transfer produce is probably a real question.

A more sustainable solution is proposed as follows:

- Acquire a new freestanding pole-barn type shed to accommodate items stored in the rear of the Lutheran church's brick building. Snow blowers, lawn care equipment, ladders, and miscellaneous items. The pantry's current refrigerator and freezer units are located in the front portion of this building.

- Retrofit the existing brick building to accommodate a walk-in refrigerator unit and a walk-in freezer unit that have pallet wide doors.

- Current electrical service needs to be upgraded, Met-Ed would provide the service upgrade to the nearby existing pole and install a new building meter, interior wiring would be completed by Dave Trone and others,

- Wider building doorway opening needed to allow pallets to enter/exit,

- Existing refrigeration unit would be removed and the remainder of the interior wall separating space between the front and back half of the building would be taken down,

- Existing freezers would be retained and positioned along one side of the building as back-up.

- Cost to accomplish the project: \$4,500 for a new building shell and floor, \$3,500 for electrical service and wiring, \$11,000 for new walk-in refrigeration and freezer equipment, other work and contingency \$1,000. Total cost \$20,000.

Funding: \$10,000 from existing food pantry resources and up to \$10,000 from St. Jacob's UCC. As of December 31, 2018, our Benevolence Fund had \$13,349 on hand, dollars remaining from our 2018 Back Bay mission trip were another \$4,900, for total resources available of \$18,249.

Dear St. Jacobs UCC (York New Salem),

Thank you for your generous gift to Back Bay Mission! Your gift to ***Friends of the Mission*** makes it possible to meet the most urgent needs of the poor and marginalized of the Mississippi Gulf Coast.

Your gift is already at work strengthening neighborhoods, seeking justice, and transforming lives. You're helping a homeowner stay in their home, providing homeless families with apartments, making sure people have enough food, and giving people the support they need to make their lives better.

Most importantly, your gift is making sure that Back Bay Mission is here to provide a safe and welcoming place for everyone who comes through our doors. Thank you for partnering with us through your generous gift. We – and those we serve – are ever grateful.

Grace and Peace,

**BACK BAY  
MISSION**

Dear Rick,

'Bobby' was homeless and at 72 his health was seriously deteriorating. Bobby has struggled with his health for the last few years, and through a few classes with the Community Health Worker at Back Bay Mission, he discovered that his blood pressure was dangerously high. In fact, it was beyond stroke level, so it was imperative that he receive medical care. With the help of the Community Health Worker, he was able to receive that care. Following his hospital stay, Bobby was placed in an apartment through the Home at Last Program at Back Bay Mission. The Home at Last program will provide him with wrap around services to support his work on the path to self-sustainability. We all know we need reassurance and encouragement as we do the work to make major changes in our lives.

Back Bay Mission needs your help to build our capacity to support those in dire need find their path to sustainability. We cannot do this alone. We need your donations and your prayers to keep the programs such as Bridges Out of Poverty, the Micah Day Center Case Management, Home at Last and the Veterans Support Fund functioning. We need you to join us in meeting people wherever they are on their journey to sustainability.

January 23, 2019

Dear Partners in Christ:

The vision of a body united - in purpose, in mission, in vision - is one that inspired the birth of our denomination. All of our spiritual impulses reverberate in an effort to call us into a more perfect union. Throughout our shared history as a people of faith and as a part of the Body of Christ, we have challenged ourselves to widen the circle of inclusion. Widening the circle has always come with growth pains as we shed old skins and welcome those whom we had previously thought unwelcome. And, with each new articulation of a more fully expressed Body of Christ we have realized new joy. Through it all we remain focused on the call to be one and committed to meeting the challenges inherent in that call.

We are now living in and through a season when the threats to unity are legion. Talk of walls that mark refugees as threats, labels like 'terrorist' that attach too easily to Muslims, overt racial bias that normalizes fear and hatred, a pandemic of abuse to women with the trigger reflex to forgive the men who author that abuse have turned America into a land many of us no longer recognize and that too many of us are finding harder and harder to reconcile with our faith.

Now more than ever, the Holy Spirit of the Living God and the Risen Christ is seeking to partner with anyone committed to unifying the human community. The gospel mandate to love our neighbor as we love ourselves resonates deep within us. It calls for the better angels among and within us to always resist impulses to hate, to condemn, to vilify, or to castigate. In such a time as this, the United Church of Christ's call to fulfill the prayer of Jesus, that they may all be one, stands as an urgent mandate to disciples who envision a just world for all.

United with you in God's service,

### January 2019 Budget Update (Combined General and Building Funds)

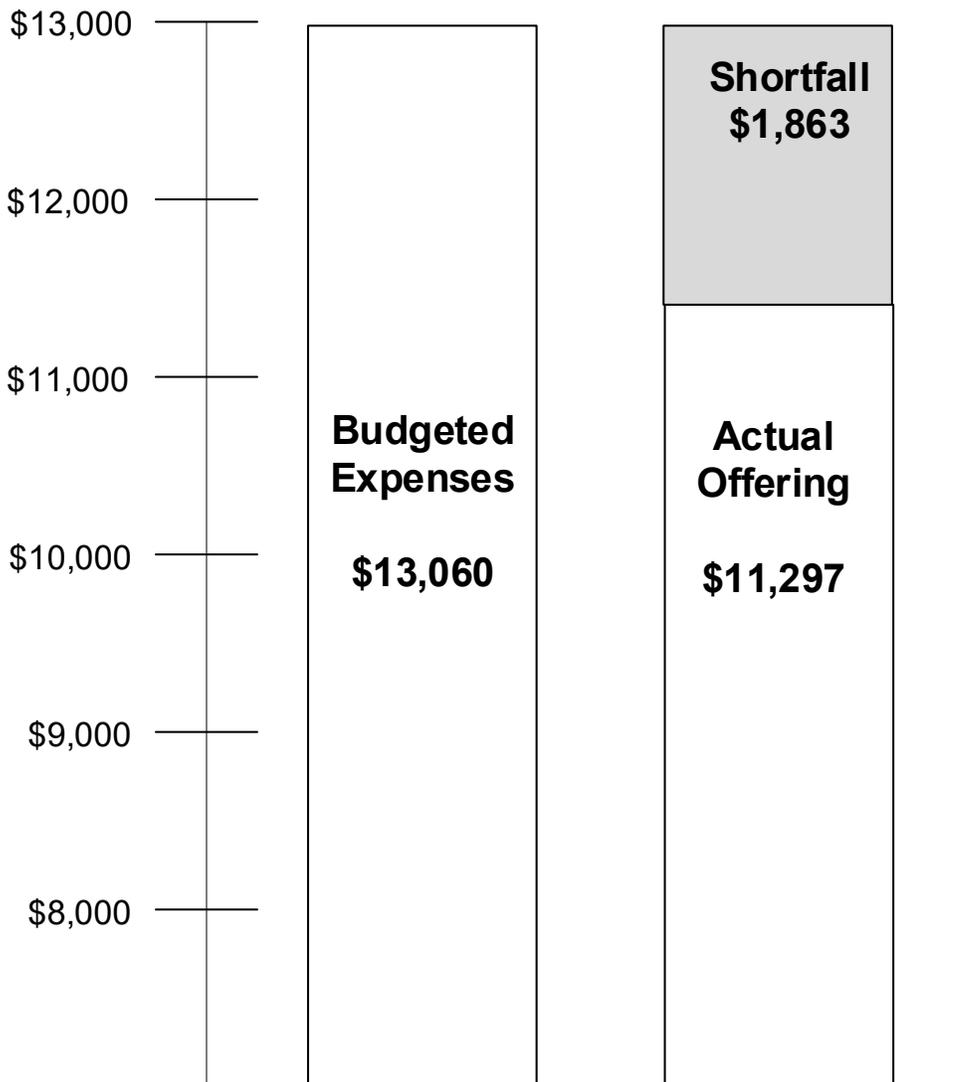

The chart below shows a simplified over view of our budget numbers for the first month of 2019.

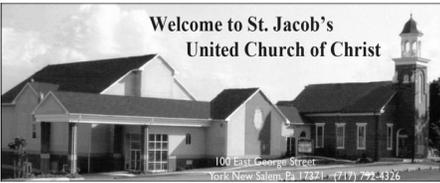

The numbers through the end of January showed a combined shortfall in the General and Building Funds of \$1,863 between budgeted expenses and actual offerings. Most of this shortfall can be attributed to inclement weather we had for several Sundays in January.

The Early Learning Center made it's shared expense payments of \$700 per week, which helped maintain a balance between overall cash receipts and cash disbursements.
